Twenty-Sixth Sunday in Ordinary Time*

“My child, remember that you received what was good during your lifetime while Lazarus likewise received what was bad; but now he is comforted here, whereas you are tormented. Moreover, between us and you a great chasm is established...” ~Luke 16:25-26

When God created the world, He declared that it was ‘good’ and He gave it to all of mankind for us to enjoy. However, over the years we have created a chasm between those who have great gifts and those who do not. St. Luke’s Gospel today offers a story which tells us that through our own generosity we must strive to bridge that gap between those who have much and those who have little; otherwise, we may find ourselves on the wrong side of the chasm in the life to come...
